ORDER

Defendants.

CASTEL, Senior District Judge

The Court is in receipt of a Proposed Stipulation and Order of Voluntary Dismissal of this action (the "Proposed Order"). The Proposed Order would judicially restrain certain actions by the executive branch, including its ability to execute a lawful order of removal, and purports to modify an Order of Supervision not issued by this or, to the undersigned's knowledge, any Article III Court, the Court declines to enter the Proposed Order as an Order of this Court.

The stipulation of the parties filed with the Court on December 16, 2021 (Doc 134) and executed on behalf of all parties to the action is an agreement by them to terminate this action on terms and conditions to which they have freely agreed. It meets the requirements of Rule 41(a)(1)(ii), Fed. R. Civ. P. Accordingly, on that basis, the Court ORDERS as follows:

The action is dismissed with prejudice and without costs or attorney's fees to either party. The Clerk is respectfully directed to terminate the motion (Doc 11) and close the case.

SO ORDERED.

P. Kevin Castel
United States District Judge
